

REMARKS

Applicant and Applicant's counsel respectfully appreciate the Examiner's courtesy in granting the personal interview held April 1, 2009. At the conclusion of the interview agreement was reached that all of the pending claims, as amended above, overcome all rejections set forth by the Office Action of January 6, 2009.

Applicant respectfully states the above amendments do not add new matter. For example, support for the amended independent claims 1, 13 and 20 is found throughout the originally filed specification, drawings and claims and, as illustrative example, such support is found at the originally filed Fig. 1, at the originally filed specification at page 7, lines 1-7 and 13-26. Likewise, support for the amended dependent claims is found throughout the originally filed specification, drawings and claims.

Applicant respectfully requests, for the reasons presented above, reconsideration and withdrawal of all outstanding rejections, and allowance of each of the independent claims 1, 13 and 20, and of their respective dependent claims 2, 4, 5, 6, 8, 15-18, and 21-25.

Conclusion

Applicant respectfully submits that all pending claims of the application stand in condition for allowance. Should there be any remaining issues that could be readily addressed over the telephone, the Examiner is respectfully asked to contact the agent overseeing the application file, Aaron Waxler, of NXP Corporation at (914) 860-4296.
